

Veterans Benefits and Transition Act of 2018
Title I – Education

Sec. 103. Disapproval for purposes of educational assistance programs of Department of Veterans Affairs of certain courses of education that do not permit individuals to attend or participate in courses pending payment: This provision would require that in order for a school or training program to be approved for GI Bill benefits they must adopt a policy that disallows the school or training program from imposing a late fee, denial of access to facilities, or other penalty against a veteran or eligible dependent due to a late payment of tuition and/or fees from VA. This would only apply if the payments have not been received within 90 days of the beginning of the term and the Secretary would have the authority to waive this requirement. Schools would be allowed to require students to provide documentation to ensure that they are entitled to GI Bill benefits.
